

High Tea

High Tea is a chance to polish your best china tea set, bake a delicious cake, show off your perfectly risen scones, pop on your most gorgeous day dress and have your best girlfriends over for a chat.

And raise vital funds for Hutt St Centre's Education and Training program for people who are homeless. As a new fundraising initiative October has been nominated as High Tea for Hutt St Centre month – a time when the flowers are blooming, birds are singing, the sun is shining again and we all have a spring in our step as the cold lifts and summer is on the horizon. A perfect time for a High Tea Party.
