*Our staff and volunteers at Hutt St Centre welcome everyone experiencing or at risk of homelessness, with compassion and without judgement.*

# CHAIR'S REPORT

I WAS HONOURED TO ASSUME THE ROLE OF CHAIR OF HUTT ST CENTRE IN NOVEMBER 2019.

I acknowledge and thank my predecessor, Dr Phil Donato OAM, who has done a fantastic job with 17 years of service to Hutt St Centre. He was initially appointed to the Appeal Planning Committee, then to the Foundation, then as a member of the Board and, for his last four years, as Chair. Phil was an outstanding Chair, and guided Hutt St Centre through some challenging times.

This year also saw the resignation of our Chief Executive Officer (CEO) Mr Ian Cox after 25 years of excellent service with Hutt St Centre.

Ian joined Hutt St Centre in 1992 as a social work student and worked as a social worker at Hutt St Centre until 2003 when he was appointed as the first lay administrator/CEO.

Ian was fortunate to travel overseas to study homelessness in late 2013 with the assistance of the Daughters of Charity and has been able to connect, share and bring ideas back to Adelaide. He has a very close relationship with DePaul International and the Institute of Global Homelessness which has led to Adelaide being chosen as one of the Vanguard Cities to help end street homelessness around the world.

Ian was a finalist in the 2016 Australian of the Year Awards (SA) category for South Australia's Local Hero, and was recognised by his peers in making the ProBono Australia Impact 25 in 2018.

In January 2020 we were delighted to welcome Mr Chris Burns CSC as our new CEO.

In his previous role as Mental Health Commissioner for South Australia, Chris was responsible for the design and production of the State's first mental health strategic plan and has been instrumental in strengthening the mental health and wellbeing of South Australians.

Prior to that he was the CEO of the Defence Teaming Centre – a member organisation connecting and supporting industries to increase their competitiveness in local and global defence markets. He also successfully led the national Australian Made Defence campaign to have Australia's future fleets of submarines and warships built in Australia.

Attracting Chris' experience in mental health along with his advocacy skills and extensive business acumen was a coup for us.

Hutt St Centre has an exceptional Board of Directors, each with particular expertise and strengths of value to the Board. We faced and managed a number of strategic challenges and opportunities in 2019/2020, most notably:

- Pursuing Hutt St Centre's Development Application for redevelopment of the Centre. Our development application received unanimous approval in April 2020. The Board has created a building sub-committee to work with Chris and his executive team to ensure the renovations are completed on time and on budget. Our redevelopment is well on the way to completion by February 2021.
- Finding ways to work collaboratively with our neighbours to continually improve the quality of Hutt Street, including our contribution to the State Planning Council Plan and participation with Hutt Street Traders Association, South East Corner Residents Association and other key stakeholders in dialogue with Adelaide City Council and development of a plan for Hutt Street and the South East Corner of Adelaide. We recognise that Hutt St Centre shares with other stakeholders the desire that Hutt Street be a safe, vibrant and welcoming community.
- Addressing the logistical difficulties created by the COVID-19 pandemic, not only with regard to the redevelopment but also the provision of our usual services. We are indebted to Chris Burns and his team for the way in which they have adjusted services to ensure continuous and safe service delivery.
- Meeting the constant challenge of assisting our clients to secure suitable homes.

In June, the Board reviewed the Hutt St Centre Strategic Plan in a series of discussions and workshops involving Chris and the Executive team.

As a consequence, our Board, Executive, and staff are firmly committed to our Vision of an end to homelessness, and our Mission to advocate with, and empower people at risk of or experiencing homelessness, supporting them to rebuild their lives on their pathway to a suitable home.

We will achieve these goals through a focus on our Strategic Pillars:

- **Advocacy:**  
We advocate with integrity and transparency to pursue impactful changes to policy, drive systemic change and improved outcomes for people at risk of or experiencing homelessness.
- **Wellbeing:**  
We deliver contemporary, person-centred, evidence-based, data-informed and innovative wellbeing services.
- **Homefulness:**  
We work relentlessly with people at risk of or experiencing homelessness in order to fulfil their right to live somewhere peacefully, securely and with dignity in a suitable home.
- **Culture:**  
We empower a high performing, accountable and supportive workplace culture, where all employees and volunteers are valued for their diversity of skills, experience and knowledge.
- **Sustainability:**  
We ethically attract and manage our resources in order to sustain our ongoing viability and success.

A mobile COVID-19 testing clinic from SA Health tested more than 70 people experiencing homelessness onsite at Hutt St Centre – all results were negative.

I would like to acknowledge the various sub-committees which have assisted the Board and its work.

Most significantly, the Hutt St Centre Foundation Committee, chaired by Director Mark Hall, has done an excellent job in COVID-19-friendly fundraising activities which have surpassed our hopes.

I acknowledge and thank Mr Paul Kirchner who, in February 2020, retired as Chair of the Foundation Committee after 15 years of service. Paul was involved in starting up numerous new fundraising events including Touch Wine (a touch footy competition in the Park Lands), Divine Providence Racing Syndicate, Walk a Mile in My Boots, and the now iconic Business Lunch which sells out every year with more than 600 guests.

Other sub-committees include:

- Finance, Audit and Risk Committee chaired by Director Sean van der Linden
- Property and Development Committee chaired by Director Campbell Mackie
- Investment Committee chaired by Paul Kirchner
- Governance, Nomination and Review Committee chaired by Director Heather Parkes

I also thank my Deputy Chair, Mr Peter Hoban, for his assistance.

We work closely with the Catholic Archdiocese of Adelaide. I thank Vicar General, Fr Philip Marshall for his support of our work, and welcome the new Archbishop Patrick Michael O'Regan, who was installed in May 2020.

We are pleased that Hutt St Centre finished the financial year with a modest surplus, equivalent to 12% of total income. The Board and Executive of Hutt St Centre is committed to use its funds and resources cautiously to achieve its mission, and always with an aim for the long term sustainability, financial strength, and effectiveness of the organisation.

We are, as always, extremely thankful for the generosity of South Australians, and in particular for a band of devoted donors who have assisted us to achieve our goals. I am incredibly proud to be a part of this organisation. It has been said that Hutt St Centre is the "Heart of Adelaide", and I firmly believe that the community support we receive in our work sustains us.

Mr Tim O'Callaghan  
Chair, Board of Directors

This year, Hutt St Centre welcomed our new Chair, Mr Tim O'Callaghan (right), and our new Chief Executive Officer, Mr Chris Burns CSC (left). Image courtesy of The Southern Cross.

# CEO'S REPORT

ON BEHALF OF THE HUTT ST CENTRE TEAM I AM PLEASED TO PRESENT TO YOU THE 2019-2020 ANNUAL REPORT.

THE PRINCIPAL ACTIVITY OF HUTT ST CENTRE DURING THE FINANCIAL YEAR WAS TO SUPPORT AND EMPOWER PEOPLE AT RISK OF OR EXPERIENCING HOMELESSNESS IN ORDER TO REBUILD THEIR LIVES AND KEEP THEM OUT OF HOMELESSNESS.

The Centre has achieved this by:

- Providing comprehensive onsite and outreach case management services.
- Delivering essential and specialist homelessness wellbeing services.
- Delivering the Aspire Social Impact Bond program.
- Supporting the State Government in the delivery of the Eastern Adelaide Generic Homelessness Service.
- Supporting the State Government in the delivery of the Aged City Living program.
- Advocating for those at risk of or experiencing homelessness, the Centre and the sector in general.
- Raising funds to support the delivery of wellbeing services for people experiencing homelessness.
- Conducting special activities and projects relevant to the Centre's objectives.

This year proved to be a busy year for the Hutt St Centre Board as we saw the retirement of Dr Phillip Donato OAM as the Chair of the Board and the appointment of Mr Tim O'Callaghan in his place.

This year also saw the resignation of the Chief Executive Officer (CEO), Mr Ian Cox after 25 years of outstanding service with the Centre. The Chief Operating Officer, Ms Lynda Forrest acted as the CEO until I assumed the role in early January.

We also said farewell to our Meal Centre Manager, Brenda McCulloch who retired after 25 years of providing delicious meals to people experiencing homelessness.

The Aged City Living, Aspire, and Eastern Adelaide Generic Homelessness Service programs were all successful in exceeding their KPIs for the year. Notably, our Aspire Social Impact Bond resulted in a reduction of 71% in emergency accommodation usage, 46% in convictions, and 38% in hospital bed days in its third year.

We finalised our plans, gained the appropriate approvals and commenced our long-sought redevelopment of the Centre's facilities.

Our major fundraising event, Walk a Mile in My Boots, was our most successful yet with over 5,000 people participating in the walk. We were also lucky enough to have our advert for Walk a Mile in My Boots winning an award at the Australian Commercial Radio Awards for best commercial for a single campaign. The ad was produced and aired in 2018, and we ran it again in 2019, across NOVA 919 and FIVEaa. The ad also made the shortlist of the New York Festivals Advertising Awards earlier this year.

Our annual Business Lunch was unfortunately cancelled due to Coronavirus (COVID-19) restrictions.

On 15 March 2020, South Australia declared a health emergency in response to the COVID-19 pandemic.

On 16 March, Hutt St Centre made several changes to our service delivery to ensure essential wellbeing services – such as intake and assessment, meals, and access to health and hygiene services – were able to be delivered to those in need, while observing physical distancing requirements and health protocols. I am very proud to say that the Hutt St Centre team didn't miss a beat, not even a meal, during the whole COVID-19 crisis.

Some of these changes included:

- Establishing organisational response protocols for COVID-19.
- Temperature testing clients and maintaining a visitor log of people visiting the Wellbeing Centre for contact tracing purposes.
- Providing takeaway meals instead of dine-in meals.
- Increased disinfectant/cleaning regime in shared spaces.
- Transitioning to telephone support to enable staff to continue to work with clients who were previously engaged in outreach services.

In conjunction with these organisational measures, on 23 March the Government of South Australia also implemented a COVID-19 Emergency Accommodation for Rough Sleepers (CEARS) program with the aim of providing motel accommodation for people experiencing homelessness to safely self-isolate. At the height of the COVID-19 pandemic there were over 300 rough sleepers in emergency motel accommodation.

Peter, our Wellbeing Centre chef, quickly adapted our meal service during COVID restrictions to enable take-away breakfasts and lunches for our clients.

People in CEARS accommodation were managed across several non-government agencies in the homelessness sector with each agency being responsible for both a case load of individuals and also overseeing several motel sites as a whole. These pandemic measures required services to be responsive to a constantly changing kaleidoscope of external requests, while also maintaining their regular specialist homelessness services delivery requirements.

The CEARS response has seen a need for flexible job roles at Hutt St Centre in order to meet the needs of people in motels and also to continue to provide supports for those who were now unable to access services such as group-based activities in the community. The need for 'Motel Workers' became evident during CEARS in order to designate staff to visit motels each day to check in on them, provide wellbeing packs, food parcels and be a point of contact for those who were not actively case managed by a service. This motel response team provided not only support to clients in the motels, but provided a touchpoint for motel staff participating in the response.

As part of this response, Hutt St Centre have been able to house 55 people in 3 months which is a significant increase in previous housing outcomes.

As one Hutt St Centre Client, who was placed in motel accommodation as part of the CEARS protocol, put it:

"The motel and particular the room you had organised is beyond any expectation I could've had or even dreamed of, it really is best described as amazing! I thank you along with any and everyone else who has been involved in organising me swiftly into accommodation and now safely off the streets. The instant feeling of relief walking into my room knowing I temporarily have somewhere to call home is a little overwhelming emotionally but full of positivity on my mental health. Eternally grateful."

A mobile COVID-19 testing clinic from SA Health also tested people experiencing homelessness onsite at Hutt St Centre. Of the more than 70 people tested, all results were negative.

As this is the first time in responding to a pandemic, there are many learnings to take away to further improve the way in which we work with people experiencing homelessness and improve our responses to similar crises should they arise in the future.

The COVID-19 pandemic significantly impacted the Centre's operations in the last quarter of the financial year. While it caused us to modify our modes of operations, we did not stop delivering the essential wellbeing services we offer. A key challenge was supporting a large number of rough sleepers who were rapidly accommodated in hotels and motels at the outset of the pandemic. Many hard lessons were learned on the way, but it was a very positive experience overall.

We would like to take this opportunity to thank our outstanding volunteers, donors and supporters without whom we could not deliver our life-changing – and at times life-saving – wellbeing and case management services. We would also like to acknowledge the multi-partisan support we receive from all levels of government and our local community.

We thank the Board of Directors, both current and past; members of our Foundation; and our Patrons for their energy, support and commitment to people experiencing homelessness. They have supported us with grace, humour, passion and a relentless attitude to never give up.

Most importantly, I thank the Hutt St Centre team who are the lifeblood of our organisation. It has been truly a privilege to work for and with our people at Hutt St Centre. Thank you.

Mr Chris Burns CSC  
Chief Executive Officer

Olivia, Kim and Simon prepare to deliver wellness packs to clients staying in motel accommodation during COVID restrictions.

# OUR IMPACTS AT A GLANCE

FOR THE NEARLY 6,000 PEOPLE EXPERIENCING HOMELESSNESS IN SOUTH AUSTRALIA, ESSENTIALS LIKE A HOT SHOWER AND A NUTRITIOUS MEAL ARE JUST THE BEGINNING.

At Hutt St Centre, we provide an extensive range of advocacy, wellbeing and homefulness services all focused on supporting those at risk of or experiencing homelessness to rebuild their lives on their pathway to a suitable home. These services include health and wellbeing supports, individual case management, education and employment training, and housing placement and support.

## OUR CLIENTS

\* Results from over 400 Vulnerability Index Service Prioritisation Decision Assessment Tool (VI-SPDAT) Surveys completed with clients entering Hutt St Centre services.

FROM 2016 TO 2020, THE NUMBER OF OUR CLIENTS WITH A TERTIARY EDUCATION WHO ARE SLEEPING ROUGH HAS **GROWN FROM 11% TO 30%.**

FROM 2017 TO 2019, THE PERCENTAGE OF OUR FEMALE CLIENTS OVER THE AGE OF 45 WHO ARE SLEEPING ROUGH WHEN THEY COME TO HUTT ST CENTRE HAS **GROWN FROM 5% TO 52%.**

## HEALTH AND WELLBEING SUPPORTS

HUTT ST CENTRE PROVIDES THE FOLLOWING WELLBEING SUPPORTS:

Peter and a group of dedicated volunteers prepare and deliver nutritious meals in our Wellbeing Centre.

- MEALS
- SHOWERS AND RESTROOMS
- LAUNDRY FACILITIES
- SECURE LOCKERS
- PHONE CHARGING STATION
- MAIL COLLECTION
- PASTORAL CARE

# OUR VISITING SERVICES

HUTT ST CENTRE SUPPORTS THE FOLLOWING VISITING SERVICES:

NURSING SERVICES

OUR CLIENTS ACCESSED  
**2,824**

HEALTHCARE VISITS WITH ROYAL DISTRICT NURSING SERVICES OF SA IN FINANCIAL YEAR 2019/20.

GP SERVICES

HEALTHCARE SERVICES ARE PROVIDED TWICE WEEKLY BY ADELAIDE CITY AND GENWISE GP SERVICES.

ALZHEIMER'S SA

# PARTNERS AND SUPPORTERS OUR

We are grateful to our generous supporters for their commitment to helping us end homelessness for every person who walks through our doors. Thanks to your kindness, we are able to deliver the health and wellbeing services necessary to help people rebuild their lives.

Our Government, Corporate and Community partners are also fundamental to ensuring we can support our clients on their pathway to homelessness. These partnerships have a profound effect on our clients, our staff and volunteers and the community in which we operate. Our work would not be possible without you.

We thank the following funders for supporting our programs and services:

## Aged City Living

- Department of Health, Australian Government
- Department of Human Services, Government of South Australia

## Aspire

- Government of South Australia
- Social Ventures Australia
- Housing Choices, Common Ground SA

## COVID-19 Emergency Accommodation for Rough Sleepers (CEARS) Project
