# Angel

FOR A DAY

Dear Mum,

For this year's Mother's Day I've made  
you a Hutt St Centre Angel for a Day.

This means you have helped provide  
200 people experiencing homelessness  
with a nutritious and delicious meal, in a  
safe and caring environment.

You should know a meal at Hutt St Centre  
can mean much more than stopping  
hunger. It results in companionship, care,  
and kindness. It can often be the first step  
in someone seeking help, and engaging  
with life changing services. Because of  
you someone will start on a path  
to rebuild their life.

Happy Mothers Day!
