DIRECTORS' REPORT

Your directors present this report on the company for the financial year ended 30 June 2018.

Directors

The names of the directors in office at any time during or since the end of the financial year are:

Ms H Carey	Mr P Hoban
Mr L Cirillo	Sr C Jones DC
Dr P Donato OAM	Mr C Mackie (appointed September 2017)
Ms S Gun	Ms H Parkes

The directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal Activity

The principal activity of Hutt Street Centre during the financial year is to provide a wide range of essential, professional and both outreach and in-reach services for homeless and vulnerable people.

Hutt Street Centre is committed to maintaining existing programs and creating new programs that:

- Support and empower homeless people.
- Develop and inspire staff, volunteers and the general community with consistent standards of best practice and clear expectations of professional accountabilities and responsibilities to all stakeholders.
- Ensures that homeless people achieve their outcomes to ultimately exit and end their homelessness.

Review of Operations

Short-term and Long-term Objectives

Hutt St Centre's Strategic Plan 2015-2018 defines the strategic directions and specific goals for the 3-year period. The Strategic Plan describes what we aspire to into the future, defines our objects and highlights the values, which underpin our operations. Measures of success have been indicated for each of our stated goals.

With more being demanded of agencies by government, clients, professionals, volunteers, our donors and supporters along with key funding stakeholders, there is a stronger external focus on accreditation, best practice and a clear demonstration of outcomes to support evidence based practice. These issues all impact our planning for the future.

Hutt St Centre continues to provide quality services and outcomes to meet the needs of the homeless and those at risk of homelessness, and our goal is to clearly remain committed to our mission, vision and values.

The Strategic Plan has set the course for Hutt St Centre and is the foundation for preparing the Centre's Business and Operational Work Plans. The 5 Key Strategic Goals include:

**HUTT STREET CENTRE
ABN 75 055 179 354**

DIRECTORS' REPORT (Continued)

Goal 1: *We will rebuild our Centre on behalf of our clients so that we can provide a comprehensive range of quality services.*

Short-term: Develop a business case for the rebuild of the Centre. Development of the first homelessness Social Impact Bond in Australia to ensure a truly outcomes based model for homeless people in South Australia.

Long-term: The continued provision of quality services for homeless people to access housing and assist with their pathways out of homelessness. To continue leadership in the sector with Connections Week, the Adelaide Zero Project and Aspire.

Goal 2: *Build our financial capacity and sustainability by increasing our fundraising efforts to rebuild the Centre and further develop and enhance our client services.*

Short-term: Implement a fundraising review and develop a new work plan and future framework for the Development & Partnerships Team. Continued development of the financial model of Hutt St Centre and adherence to the Business model.

Long-term: To continue building on the successes achieved to ensure that homeless people's needs, their outcomes and the services we provide are consistently funded, met and achieved.

Goal 3: *Strengthen our internal operations to support the work of our staff and volunteers.*

Short-term: Continue addressing our IT, WHS, Business Improvement strategies and HR needs for now and into the future.

Long-term: The organisation continues to move forward with capacity building in areas such as our people (staff and volunteers), IT (development of databases to enhance client outcomes and upgrading plant and equipment for staff and volunteers), HR and PPE.

Goal 4: *Commence development of social businesses to create employment opportunities for our clients and strengthen our financial capacity.*

Short-term: Continue researching and applying for social enterprise grants which are relevant to our clients long term needs. Building the capacity for the development of our social enterprises.

Long-term: To build on our current coffee cart as a social enterprise and explore other business case models for our clients and the organisation into the future.

Goal 5: *Advocate for the homeless, telling people our story to build strong partnerships and develop more opportunities for our clients.*

Short-term: Build the process to ensure that story telling amongst the Hutt St Centre teams is communicated through to the wider community which both shares and celebrates people's stories and their journeys.

Long-term: That Hutt St Centre continues to be known by the wider South Australian community for its commitment, innovation and dedication to the homeless and not for profit community.

Achieving Hutt St Centre Objectives

Hutt St Centre has had another very successful year in terms of achieving our objectives with both our existing and new programs complementing each other. The success of our Pathways Program (education, training and employment) has led to the organisation being the only not for profit in South Australia development of a Social Impact Bond (SIB), which is funded by investors, in partnership with the Department of Premier and Cabinet, Department of Communities and Social Inclusion, Social Ventures Australia, Common Ground Adelaide and Unity Housing. Aspire has now just completed its first year of operations and we are incredibly heartened by the progress in its first year and look forward to seeing the progress in 3 months' time with data from Health, Justice and Human Services.

Over the past 12 months, our clients have continued to be successful with accessing a range of different services and programs including housing, outreach support, medical and allied health services, and access to employment, training and education outcomes, along with the provision of essential services including meals, showers, lockers and laundry facilities.

**HUTT STREET CENTRE
ABN 75 055 179 354**

DIRECTORS' REPORT (Continued)

We have once again experienced another positive outcome with increased revenue growth and fundraising and we will be relentless in striving for new and improved funding streams into the future to better meet the needs of our client group.

With the 2015-2018 Strategic Plan nearing its completion, the Board of Directors will be undertaking plans for the next Strategic Plan 2019-2022 in late 2018.

**HUTT STREET CENTRE
ABN 75 055 179 354**

DIRECTORS' REPORT (Continued)

Key Performance Measures

Hutt St Centre measures its own performance through the use of both quantitative and qualitative benchmarks. The benchmarks are used by Directors to assess whether the financial sustainability of the company and whether the company's short and long term objectives are being achieved.

Actual Benchmarks

Clients

- Number of clients receiving case management through the Eastern Adelaide Homelessness Service (N: 250) - *Achieved*
- Number of clients assisted to sustain their tenancy - *Achieved*
- Number of clients not exiting into primary homelessness - *Achieved*
- Number of clients receiving Intensive Tenancy Support - *Achieved*
- Number of clients receiving Boarding House Outreach Support - *Achieved*
- Number of client in Aspire (Social Impact Bond) Program – *Achieved*
- Pathways to education and training program targets achieved for accredited and non-accredited training – *Achieved*
- Pathways to employment program targets - *Achieved*
- Number of clients receiving case management services through the HACC Aged City Living Program – *Achieved*
- Continued visiting services provided within the Day Centre – *Achieved*
- Ongoing funding for the Pathways Program secured – *Achieved*
- Ongoing HACC Funding secured – *Achieved*
- Continued Eastern Adelaide Homelessness Service Funding – *Achieved*
- Accreditation of Aged Care Program - *Achieved*

Staff, volunteers and stakeholders

- Employee satisfaction survey and set targets at 85% - *Achieved*
- External staff survey demonstrates 100% awareness external support program – *Achieved*
- Continued implementation of the annual Volunteer recognition ceremony – *Achieved*
- Survey for our donors and stakeholders – *Achieved*
- HSC recognised for its leadership role by all partners and stakeholders – our client group, government, non-government and the business community through participation in relevant government / NGO advisory groups – *Achieved*

Operational and financial

- Financial Target aligned within 2017/2018 Budget - *Achieved*
- Fundraising Target 2017/2018 – *Achieved*
- All WHS internal and external targets met – *Achieved*

**HUTT STREET CENTRE
ABN 75 055 179 354**

DIRECTORS' REPORT (Continued)

Significant changes in expenditure

Employee Benefits Expense

The Hutt St Centre staff group and related expenses have increased as a result of our new Aspire Program which commenced on 1 July 2017, employing an additional 18 new frontline personnel to this Program. In 2018 we also added additional staff to meet the increased demand on services on the frontline of our service delivery model and as well as to strengthen our internal operations.

Client Expense

Expenditure on clients has increased as a result of obtaining additional funding for the employment and pathways program, housing support packages for clients accessing services through the primary homelessness team and Client Expenses in the Aspire Program.

State of affairs

No significant changes in Hutt St Centre's state of affairs occurred during the financial year.

Events since the end of the financial year

There are no other matters or circumstances that have arisen since 30 June 2018 that have significantly affected Hutt St Centre's operations, results or state of affairs, or may do so in future years.

Likely developments

Hutt St Centre will continue to pursue the short-term and long-term objectives described above, for the next 12 months whilst also looking to undertake a new Strategic Planning process for 2019-2022. This will provide an enhanced capability through improving performance, achieving financial targets and continuing to manage customer and stakeholders relationships.

Environmental regulations

Hutt St Centre is not subject to any particular environmental regulations.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018**

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are for Hutt Street Centre as an individual entity, incorporated and domiciled in Australia. Hutt Street Centre is a company limited by guarantee.

Basis of Preparation

Hutt Street Centre applies Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: *Application of Tiers of Australian Accounting Standards* and AASB 2010–2: *Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements*.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements were authorised for issue on 26 September 2018 by the directors of the company.

(a) Revenue

Non-reciprocal grant revenue is recognised in the profit and loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax.

(b) Inventories

Inventories held for sale are measured at the lower of cost and net realisable value. Inventories held for distribution are measured at cost adjusted, when applicable, for any loss of service potential.

Inventories acquired at no cost, or for nominal consideration, are valued at the current replacement cost as at the date of acquisition.

HUTT STREET CENTRE
ABN 75 055 179 354

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated, less, where applicable, accumulated depreciation and any impairment losses.

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(g) for details of impairment).

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings/Property Improvements	2.5%
Plant & Equipment	8% - 37.5%
Motor Vehicles	18.75% - 25%
Furniture & Fittings	8% - 30%

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the profit and loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

(d) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

(e) Fair Value of Assets

The company measures some of its assets at fair value on a recurring basis.

"Fair value" is the price the company would receive to sell an asset in an orderly (ie unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset.

To the extent possible, market information is extracted from either the principal market for the asset (ie the market with the greatest volume and level of activity for the asset). In the absence of such a market, market information is extracted from the most advantageous market available to the entity at reporting date (ie the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified “at fair value through profit or loss” in which case transaction costs are recognised immediately as expenses in profit or loss.

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value (refer note 1 Fair Value of Assets), amortised cost using the effective interest method, or cost.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between that initial amount and the maturity amount calculated using the *effective interest method*.

The *effective interest method* is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying amount with a consequential recognition of an income or expense item in profit or loss.

(i) *Financial assets at fair value through profit or loss*

Financial assets are classified at “fair value through profit or loss” when they are held for trading for the purpose of short-term profit taking, derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss.

(ii) *Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

(iii) *Held-to-maturity investments*

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the company’s intention to hold these investments to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Financial Instruments (continued)

(iv) *Available-for-sale financial assets*

Available-for-sale investments are non-derivative financial assets that are either not capable of being classified into other categories of financial assets due to their nature or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with any remeasurements other than impairment losses and foreign exchange gains and losses recognised in other comprehensive income. When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets are classified as non-current assets when they are not expected to be sold within 12 months after the end of the reporting period. All other available-for-sale financial assets are classified as current assets.

(v) *Financial liabilities*

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

Impairment

At the end of each reporting period, the company assesses whether there is objective evidence that a financial asset has been impaired. A financial asset (or group of financial assets) is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which has an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered to constitute a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

When the terms of financial assets that would otherwise have been past due or impaired have been renegotiated, the company recognises the impairment for such financial assets by taking into account the original terms as if the terms have not been renegotiated so that the loss events that have occurred are duly considered.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are discharged or cancelled, or have expired. The difference between the carrying amount of the financial liability, which is extinguished or transferred to another party, and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**HUTT STREET CENTRE
ABN 75 055 179 354**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018**

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Impairment of Assets

At the end of each reporting period, the entity assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value in use, to the assets carrying amount. Any excess of the assets carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (eg in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Impairment testing is performed annually for goodwill and intangible assets with indefinite lives.

(h) Employee Provisions

Short-term employee benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

The company classifies a portion of the employees' long service leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the company's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the re-measurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The company's obligations for long-term employee benefits are presented as non-current liabilities in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current liabilities.

Retirement benefit obligations

Defined contribution superannuation benefits

All employees of the company receive defined contribution superannuation entitlements, for which the company pays the fixed superannuation guarantee contribution (currently 9.5% of the employee's average ordinary salary) to the employee's superannuation fund of choice. All contributions in respect of employees' defined contribution entitlements are recognised as an expense when they become payable. The company's obligation with respect to employees' defined contribution entitlements is limited to its obligation for any unpaid superannuation guarantee contributions at the end of the reporting period. All obligations for unpaid superannuation guarantee contributions are measured at the (undiscounted) amounts expected to be paid when the obligation is settled and are presented as current liabilities in the company's statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of six months or less.

(j) Trade and Other Receivables

Accounts receivable and other debtors include amounts due from for goods sold or services provided in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(l) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(m) Intangibles

Software

Software is initially recognised at cost. It has a finite life and is carried at cost less any accumulated amortisation and impairment losses. Software has an estimated life of between one and three years. It is assessed annually for impairment.

(n) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(o) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(p) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2018**

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(q) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

(r) Economic Dependence

Hutt Street Centre is dependent on the Department for Communities and Social Inclusion and the Department of Social Services for the majority of its revenue used to operate the business. At the date of this report, the Board of Directors has no reason to believe the Departments will not continue to support Hutt Street Centre.

Balance at 30 June (current and non-current)		472,765	386,223

Provision for Employee Benefits

Provision for employee benefits represents amounts accrued for annual leave and long service leave.

The current portion for this provision includes the total amount accrued for annual leave entitlements and the amounts accrued for long service leave entitlements that have vested due to employees having completed the required period of service. Based on past experience, the company does not expect the full amount of annual leave or long service leave balances classified as current liabilities to be settled within the next 12 months. However, these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event employees wish to use their leave entitlement.

The non-current portion for this provision includes amounts accrued for long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service.

In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based upon historical data. The measurement and recognition criteria for employee benefits have been discussed in Note 1(h).

NOTE 12: RESERVES

Investment revaluation reserve	(a)	538,797	579,800
		538,797	579,800

(a) Investment revaluation reserve

Investments were revalued to market value during the current year. The reserve records the revaluation increments and decrements (that do not represent impairment write-downs) that relate to investments that are classified as available-for-sale.

NOTE 13: EVENTS AFTER THE REPORTING PERIOD

The directors are not aware of any significant events since the end of the reporting period.

NOTE 14: KEY MANAGEMENT PERSONNEL COMPENSATION

The totals of remuneration paid to key management personnel of the company during the year are as follows:

Key management personnel compensation	458,718	454,886
---------------------------------------	---------	---------

NOTE 15: RELATED PARTY TRANSACTIONS

Sean van der Linden is a member of the Hutt Street Centre's audit and finance committee, and is a partner of Ernst & Young Australia. During the year Ernst & Young provided professional services to the company on normal commercial terms and conditions no more favourable than those available to other persons unless otherwise stated.

NOTE 16: FINANCIAL RISK MANAGEMENT

Hutt Street Centre's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable. Hutt Street Centre's primary objective when managing financial instruments is to continue as a going concern, maintaining a source of funds to continue its vision.

The carrying amounts of each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

Financial Assets

Cash and cash equivalents	4	2,099,096	3,323,472

DIRECTORS' DECLARATION

In accordance with a resolution of the directors of Hutt Street Centre, the directors of the company declare that:

1. The financial statements and notes, as set out on pages 9 to 27 are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards – Reduced Disclosure Requirements; and
 - (b) give a true and fair view of the financial position as at 30 June 2018 and of its performance for the financial year ended on that date.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Boards of Directors.

Director		Director	
	Mr. P Donato		Mr. P Hoban

Dated this 26th day of September 2018

HensonLloyd
Audit Pty Ltd

INDEPENDENT AUDIT REPORT

Director
Barrie Lloyd
Registered Company Auditor

To the members of:

HUTT STREET CENTRE

ABN 75 055 179 354

FOR THE FINANCIAL PERIOD ENDED 30TH JUNE 2018

Report on the Financial Report

We have audited the accompanying financial report of Hutt Street Centre which comprises statement of financial position, the statement of comprehensive income, statement of changes in equity and statement of cash flows, notes comprising a summary of significant accounting policies and other explanatory information, and the directors declaration for the for the year ended 30th June 2018.

Governing Body's Responsibility for the Financial Report

The Directors are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Corporations Act 2001, and for such internal control as the governing body determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001 and Australian professional accounting bodies. We confirm that the independence declaration required by the Corporations Act 2001, provided to the directors of Hutt Street Centre on 7 September 2018, would be in the same terms if provided to the directors as the date of this auditor's report.

Opinion

In our opinion, the financial report of Hutt Street Centre presents fairly, in all material respects the financial position as at 30th June 2018, and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and (including Australian Accounting Interpretations) and the *Corporations Regulations* 2001.
